On this page you will find the Conference Publications that you can download (available on 26.05.2025) and Further Publication steps

IEEE E-TEMS 2025 PUBLICATIONS

Further publication steps

1. Present your paper (in live/online or poster formats).
2. In case you want to reflect the feedback following the presentation, **send a Change request** to the organising committee (info@etems.digital) until **08.06.2025**.
3. The organising committee will send you the **final edited version** of your paper, where you can make your changes.
4. Send back the ultimate version of your paper until **21.06.2025**.
5. Check the publication of your paper in IEEE Xplore around **August 2025** (you will be notified).

Evaluation for the IEEE E-TEMS 2025 Conference

Dear participants of IEEE E-TEMS 2025 Conference,

We are thrilled to get to know you better and collect the valuable feedback from you about the Conference to prepare our next Conferences with better quality! Please take some time to fill in the feedback forms.

The questionnaire will take approximately 5 minutes.

* Required

1. Did you participate in the IEEE E-TEMS 2025 Conference as a... *

- ☐ Master student
- ☐ PhD student
- ☐ Scientist
- ☐ Practitioner
- ☐ Session moderator
- ☐ Presenter
- ☐ Organising team member
